**BY ORDER OF THE BOARD****Tan Cheng Siew****Chan Wai Teng Priscilla****Company Secretaries**

Singapore, 9 April 2009

**EXPLANATORY NOTES ON SPECIAL BUSINESS TO BE TRANSACTED:**

- (i) The proposed Resolution 5, if passed, will empower the Directors of the Company from the date of the above Meeting until the next Annual General Meeting to issue shares in the Company up to an amount not exceeding in total 50 per centum of the total number of issued shares excluding treasury shares in the capital of the Company for such purposes as they consider would be in the interests of the Company. This authority will, unless previously revoked or varied at a general meeting, expire at the date the next Annual General Meeting of the Company is held or is required by law to be held, whichever is earlier.

The percentage of the issued share capital is based on the number of issued shares excluding treasury shares in the capital of the Company at the time of the passing of this Resolution after adjusting for:

- (a) new shares arising from the conversion or exercise of convertible securities;
  - (b) new shares arising from exercising share options or vesting of share awards outstanding or subsisting at the time of the passing of this Resolution; and
  - (c) any subsequent bonus issue, consolidation or subdivision of shares.
- (ii) The proposed Resolution 6, if passed, will empower the Directors of the Company from the date of the above Meeting until the next Annual General Meeting to allot and issue shares in the Company up to an amount not exceeding in total 100 per centum (up from 50% per centum) of the total number of issued shares excluding treasury shares in the capital of the Company for such purposes as they consider would be in the interests of the Company. This is one of the new measures introduced by the Singapore Exchange Limited, in consultation with the Monetary Authority of Singapore on 20 February 2009 to accelerate and facilitate listed issuer's fund raising efforts and will be in effect until 31 December 2010.

This mandate is conditional upon the Company:

- Making periodic announcements on the use of the proceeds as and when the funds are materially disbursed; and
- providing a status report on the use of the proceeds in the annual report.

The percentage of the issued share capital is based on the number of issued shares excluding treasury shares in the capital of the Company at the time of the passing of this Resolution after adjusting for:

- (a) new shares arising from the conversion or exercise of convertible securities;
- (b) new shares arising from exercising share options or vesting of share awards outstanding or subsisting at the time of the passing of this Resolution; and
- (c) any subsequent bonus issue, consolidation or subdivision of shares.

This mandate if passed will provide the Directors with an opportunity to raise funds and avoid prolonged market exposure by reducing the time taken for shareholders' approval, in the event the need arises. Minority shareholders' interests are mitigated as all shareholders have equal opportunities to participate and can dispose of their entitlements through trading of nil-paid rights if they do not wish to subscribe for their rights shares.
